Subject - Regarding donation of Computer Sets.

Respected Madam,

In the academic year, 2001-2002 through Navnirman Shikshan Sanstha Ratnagiri, Arts, Commerce and Science College was started at Mirjole to create educational facilities and to reach the last strata of the society. In order not to deprive any student from the lower strata of the society in the remote and hilly areas.

Since the inception of the college, students have not been denied admission for lack of money. Free education is also being provided sometimes for making students learn in the taluka.

While working in rural areas, colleges and academics, considering the perspective of development, competition and digital age. Due to age, there is lack of facilities like computer lab, smart classroom, gymnasium / exercise etc. in the college for higher education. To implement the digital education system, there is needs to set up up-to-date computer labs.

It is our humble request that you may donate some of computer sets to the college for benefit the rural, hard working hilly and underdeveloped students of the area.

So please consider our proposal sympathetically.

Thank you for your cooperation!

Respected,

You are running Arts, Commerce and Science College in rural area. Along with the traditional courses, you are giving professional education like computer Science and IT to students. For that, you have requested computer from me. You are giving the quality education to student. I am donating 15 computer sets to the college without delaying. It should be accepted.

Thank You!

Yours,

Ms. Heather Leman
